We are very pleased that the new hours have been convenient; however, due to school starting, we need to cut back on our evening hours. Please make sure to check school year hours listed here in the newsletter, calendar and website. We continue to welcome new quilters and encourage anyone to come on Tuesdays and Thursdays for quilting bee from 5-8 p.m. or any time during regular Shop hours to take advantage of the work space. Just ask Tricia, she finished her French Braid quilt by laying it out on our cutting table. Great job, Tricia! We will be displaying her quilt at the shop for a short time.

We hope everyone had an enjoyable summer. We missed seeing many of you and look forward to your return. We have an exciting fall planned. We will be starting off slowly with our class schedule in August. However, if you would like to take one of the classes, but it is not conveniently scheduled, be sure to let us know so that we can offer it in upcoming months. If you are interested in one of our classes, we ask that you please register at least one week prior to the scheduled date so the class does not get canceled.

Be sure to check our website weekly so that you don't miss any current updates or specials.
