Dimensional Bow Tie

This is a good for the beginner who wants to try something a little more challenging. You should have experience with $\frac{1}{4}$ " seams and feel comfortable with manipulating fabric. The bow in the center of the tie is actually three-dimensional, which makes this a fun quilt. It is a good gift for a child or an adult.

Square Lap Quilt (approximately 36" x 36" before borders):

| Fabric Requirements: | Cutting |
|--|---|
| 1 yard fabric for "ties" | Cut 48 5-inch squares (for bow ties - you need 3 squares for each block) |
| $\frac{3}{4}$ yard fabric for background | Cut 32 5-inch squares (for background - you need 2 squares for each block) |

* The 5" squares can be cut at our Shop with the AccuCut Studio for a nominal fee to save you time.
