NEW - Monthly Quilt Projects

Each month on the third Saturday we will feature a theme related to a holiday or the time of year.

January 16th we will be offering the first project, which will be Sudoku Fun! Start the New Year off with a brain teaser. You will receive a Sudoku puzzle to complete before you quilt. (Answers will be provided before you pull your hair out!) The project will cost \$20, which will include 81 squares and instruction. Sign up today to join the fun!

Civil War Block of Month

We are excited to begin our Civil War Block of the Month inspired by the "Civil War Tribute" collection by Judie Rothermel for Marcus Brothers Fabrics to honor the 150 year Anniversary of the Civil War. The finished size will be 100" x 112". This quilt highlights a variety of sawtooth and star blocks. Each of the quilt blocks represents a major battle fought during the Civil War and patterns include historical references about the corresponding battles from both the South and North perspectives. Cost will be \$25 per month and will include assembly instructions by a PMQS staff member on the 2nd Wednesday and Saturday of each month. Hurry, space is limited as many quilters have already signed up.

*Discounts do not apply to Blocks of the Month.

On Christmas Day, Liz and her son delivered the customer donations to the Hope Lodge. Although there were not many families there at this time, those there were uplifted by the outpouring of your love. This was truly Christmas.

Technology Arrives at PMQS

This year, we are taking quilting to the next level. We will be offering the use of technology to design and enhance your quilts, patterns and labels. Customers will be able to reserve a block of time to use the computer equipment for \$10 per hour. This technology will allow quilters to scan and print photos or memorabilia, quilt designs from software, and custom labels. Hours for technical support will be posted at the store. Printable fabric will be available for sale. Keep watching for future classes on preparing your own fabric for printing. This technology provides a new medium for memories.

Make It On the GO!

We hope that our customers who received a "GO!" for Christmas are already putting them to good use. If you have not seen how this portable die-cutter works, we are an authorized dealer of the

AccuQuilt GO! and would love to show it to you. We have patterns for the **AccuQuilt GO!**. We carry all of the common dies for the **GO!** And we will gladly special order any customer requests.

Consignment Items

PMQS is honored to offer a variety of consignment items including finished quilts, baby gifts, and notecards. It is also your one-stop place to order Avon, Princess House, or Pampered Chef items (catalogs available).

PMQS Goes “Green”

Starting January 5, 2010, customers can purchase a kit for either a large or small reusable “green” PMQS bag. Each kit will include a label which **must** be placed on the bag and will entitle you to a 10% discount. These bags will be the replacement for the key chains currently used for this discount. The key chain discount will still be honored through September 2010, but will not be in addition to the bag discount. **You must have the bag with you at time of purchase to receive this discount.**
