We have reviewed the results of the online survey and are making changes to satisfy our customers. We are very pleased that the new hours have been convenient for daytime shoppers as well as those coming home from work. According to the survey, we are currently working on providing more fast and easy patterns for confident beginners and intermediate levels. We will continue to welcome new quilters and encourage anyone to come on Tuesdays and Thursdays for quilting bee from 5-8 p.m.

Many people have indicated a desire to make bags and totes and we will be offering more of those classes. Gayle Morton will be offering purse and tote classes starting with the Mini Bow Tuck Purse on June 15. Joyce Steinmetz will also be offering a variety of purse and tote classes.

Our classes will be offered two times each, in order to meet everyone's needs. If you are interested in one of our classes, we ask that you please register as soon as possible so the class does not get canceled.

And yes, we will be getting new fabrics this summer! Remember to watch for internet coupons on our website. One change we are going to make is that this will be our last newsletter to be mailed. If you receive this through the mail and would like to continue to receive the newsletter, you **MUST** call the Shop and inform us. We will continue to publish a monthly newsletter which will be posted on our website:
