By George, we think we've got it! We are very pleased that the new hours have been convenient. We have been welcoming many new quilters to our Shop. We continue to welcome experienced and non-experienced quilters and encourage anyone to come on Tuesdays and Thursdays for quilting bee from 5-8 p.m. or any time during regular Shop hours to take advantage of the work space.

Barbara, Joyce and Liz have a schedule that appears to be convenient for our customers. We have an exciting fall planned. We will be starting off slowly with our class schedule in September. However, if you would like to take any of our classes be sure to let us know so that we can offer it in upcoming months. We ask that you please register at least one week prior to the scheduled date so the class does not get canceled. If you are interested in one-on-one tutoring, just ask Barbara, Joyce or Liz. We will be glad to assist you.

Be sure to check our website weekly so that you don't miss any current updates or specials.

September Sampler

Join us for a Thursday night or Saturday morning of fun! Liz & Barbara will be creating fun, intermediate blocks for you to learn. There will be two block patterns introduced each week. Bring in your own fabric or buy some new. There will be 9 blocks total throughout the month of September. Your choice of colors. Make it scrappy or traditional.

Sign up early so we can notify you by email or phone how much fabric you will need each week. This is a FREE class that will allow you to sample different block patterns and piecing methods. Come on out and enjoy Purple Mountain Quilt Shop and its friendly atmosphere.

Thursday night classes begin on September 2 and run through September 30 which will complete the nine blocks and we will lay out the blocks to put it all together. We will also introduce different methods of construction at this time. Saturday classes begin on September 4 and run through October 2.

The blocks will be a surprise for you and promise to be worth your while (no simple nine patch).

We have a large variety of consignment items for sale, including jewelry.
