Tuesday & Thursday:

4:00 to 8:00 p.m.

(Quilting Bee and

New Classes are being added all the time. We now have punchneedle, smocking, dressmaking, and tatting in addition to quilting. We look forward to adding rugging, purse-making, embroidery, cross stitch, and an ever growing number of quilt designs using the AccuQuilt cutter.

New Fabrics include a full line of 100% polyester dress fabric, which several customers personally requested and chose. We anticipate adding beautiful and fun fabrics for fall and the holidays. We now carry a wonderful display of DMC embroidery floss and are waiting for embroidery and cross stitch printed patterns. If you have a desire for a specific fabric, we would be glad to consider adding it to our collection.

Students Learn Math Through Quilting

We have been very successful and have enjoyed working with the young people of Monterey. Miss Liz offered a math tutorial program, Making Math Real Through Quilting.

Three of our young ladies completed their first quilt and entered them into the Putnam County Fair.

Congratulations to Rachel Melton for earning 2nd place and **Rosalinda Ramirez** for earning 3rd place. Hats off to **Esmeralda Ramirez** for working hard on her quilt, too!
